

was founded in Dearborn, Michigan, in 2018 as the first coffee shop of its kind to serve organic Yemeni coffee to Dearborn and beyond. Qahwah House's status as a Dearborn institution is worthy of commendation.

Qahwah House's mission is to provide customers with an exceptional coffee experience, using high quality premium organic coffee sourced from Ibrahim's family farm in Yemen. Since 2018, the shop has grown exponentially and has expanded its offerings to include authentic Yemeni pastries. The popularity of the coffee shop has pushed Ibrahim to establish two additional locations, one in Canton, Michigan, and another in Brooklyn, New York—with more locations to come. The cafe that started out as just the idea of sharing delicious Yemeni coffee with neighbors has become a gathering spot for the people of Dearborn and beyond.

A household name in Southeast Michigan, Qahwah House has become a place for Michiganders of all ages and cultures. As an establishment that serves up more than just delicious coffee, they serve the local community by raising funds for the education of our youth. Hundreds of children in the Dearborn area and in Ibrahim's home of Yemen have benefited from their generosity.

Madam Speaker, I ask my colleagues to join me in honoring Ibrahim Al Hasbani of Qahwah House for being a cultural ambassador of the Yemeni community and for sharing his cultural roots for the world to enjoy.

**HONORING ALY HERNANDEZ FOR
HER SERVICE TO THE FIFTH
DISTRICT**

HON. EMANUEL CLEAVER

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Friday, August 13, 2021

Mr. CLEAVER. Madam Speaker, I rise today to pay tribute to the extraordinary actions and efforts of an individual that improved Missouri's Fifth Congressional District, Aly Hernandez. Ms. Hernandez has been an integral part of the Kansas City community and it is with a bittersweet feeling that we say goodbye to her as she ventures into a new opportunity in Washington D.C.

Expressing the magnitude of Ms. Hernandez's contributions to Kansas City, in such a short time since she completed her bachelor's degree at the University of Missouri—Kansas City, is an impossible task. From the time that Aly began working in my office as an intern, it was evident that she was someone who was determined and passionate about creating positive change in our city, particularly within our underrepresented communities. Ms. Hernandez rose through the ranks in my office starting as an intern, to fellow, and finally becoming a community affairs liaison-full time staff member. Not only has she left an impact on a federal level, but she also continued her journey in public service by serving the local municipality as the External Affairs Manager for Mayor Quinton Lucas for more than two years. Through these positions, she sought to leverage the voice of others and aided in increasing resources to the Latino community within the Fifth Congressional District.

As a strong advocate for Latinos, Ms. Hernandez took it upon herself to be one of the

founders of a local organization Voz KC (or Voice KC), a new organization focused on advocating and advancing the role the Latino community in politics. Her own experience and journey as an immigrant from Mexico, searching for the American Dream, along with her family, made her see the challenges of being undocumented, underrepresented, making her search for opportunities where she could have an impact. With her advocacy, she has worked to make civic engagement accessible for everyone.

With Aly's work in government in the 5th District of Missouri, we see a noticeable change in civic engagement and participation in our local communities. She is a perfect example of what an exceptional American is and truly captures the fulfillment of the "American Dream". Everyone should hope to aspire to achieve the same qualities that this young woman has. I undoubtedly know that she will continue to do amazing things not only in Washington D.C., but for the rest of our country. Madam Speaker and colleagues, please join me in honoring Aly Hernandez's impact on the people of Kansas City, and congratulating her on a new career opportunity in Washington D.C.

**RECOGNIZING THE LIFE OF
SAMUEL LARRY RICHEY**

HON. TRENT KELLY

OF MISSISSIPPI

IN THE HOUSE OF REPRESENTATIVES

Friday, August 13, 2021

Mr. KELLY of Mississippi. Madam Speaker, I rise today to celebrate the life and service of Mr. Samuel Larry Richey who passed away Saturday, July 17 at NMMC Nursing Home in Pontotoc. He was a dedicated basketball coach, husband, and father. I join his family, friends, and loved ones in mourning his loss.

Mr. Richey did not expect or plan on becoming a boys basketball coach. He was hired as a teacher at Jumpertown and was hired as the assistant coach in 1967. He coached in Wheeler, Baldwin and Mantachie over the course of his career. He brought seventeen boys teams to the Mississippi State Tournament and won six. His team was once ranked 29th all-time in the National Federation of Schools record book. He was named "Coach of the Year" in multiple publications and by the time of his retirement, he was the winningest coach in Mississippi history.

Mr. Richey holds a bachelor's degree in business from Mississippi State University and served in the United States Armed Forces from 1958–1960. He was a member of Asbury Methodist church and enjoyed raising cattle, playing golf, and watching westerns.

Left to cherish his memory are wife of 57 years, Dale Gardner Richey; sons, Clark and Clay; grandsons Gardner, Gabe, Reggie, Maddux, Rob and Walker; granddaughters Kate, Lee-Anna, and Rylee.

I am grateful for Mr. Richey's legacy and the positive impact he had on countless young athletes. I offer my most sincere condolences to those who had the opportunity to know and love him.

IN THE HOUSE OF REPRESENTATIVES

Friday, August 13, 2021

Mrs. BUSTOS. Madam Speaker, I rise today to congratulate the Rockridge High School Chorus Department for taking 1st place in the IHSA Class B Music Sweepstakes.

The IHSA Music Sweepstakes is an annual competition that judges solo and ensemble performances based on tone, technique, performance, creativity and other metrics. The exceptional performances secured Rockridge's sixth State Championship in the last ten years. It gives me great pleasure to see these students thriving both in school and with their peers despite the challenges of the COVID-19 pandemic.

It is because of talented and determined individuals such as these students that I am especially proud to serve Illinois' 17th Congressional District. Madam Speaker, I would like to again formally congratulate the Rockridge High School Chorus Department on being named Class B State Champions. I commend their hard work and perseverance, and I am very proud to be their Representative.

Mr. CUELLAR. Madam Speaker, I rise today to congratulate Eduardo A. Garza Robles for winning the Laredo Chamber of Commerce's Businessperson of the Year award. Mr. Garza has demonstrated the utmost dedication to his community through his many years as a customs broker.

Mr. Garza began his career as a customs broker in 1987 after working his way to the title of general manager of a customs broker firm. Shortly after obtaining his license as a Mexican customs broker, he founded his own customs agency in 1988.
